2014 | 2015 | 2016 | **2017**

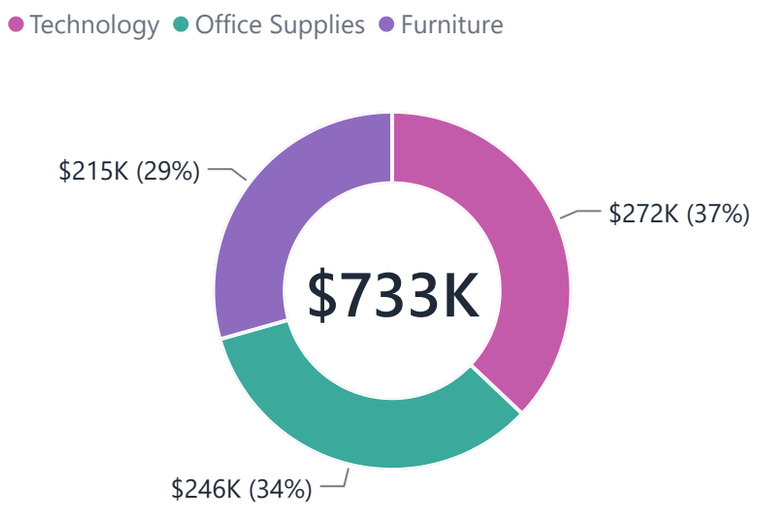

$733.2K	$93.4K	12.7%	1,687	12,476	$435
Net Sales (YTD)	Gross Profit (YTD)	Gross Margin (YTD)	Total Orders (YTD)	Units Sold (YTD)	Avg Order Value (YTD)

Net Sales and Gross Profit by Month, with Next-Year Fo.

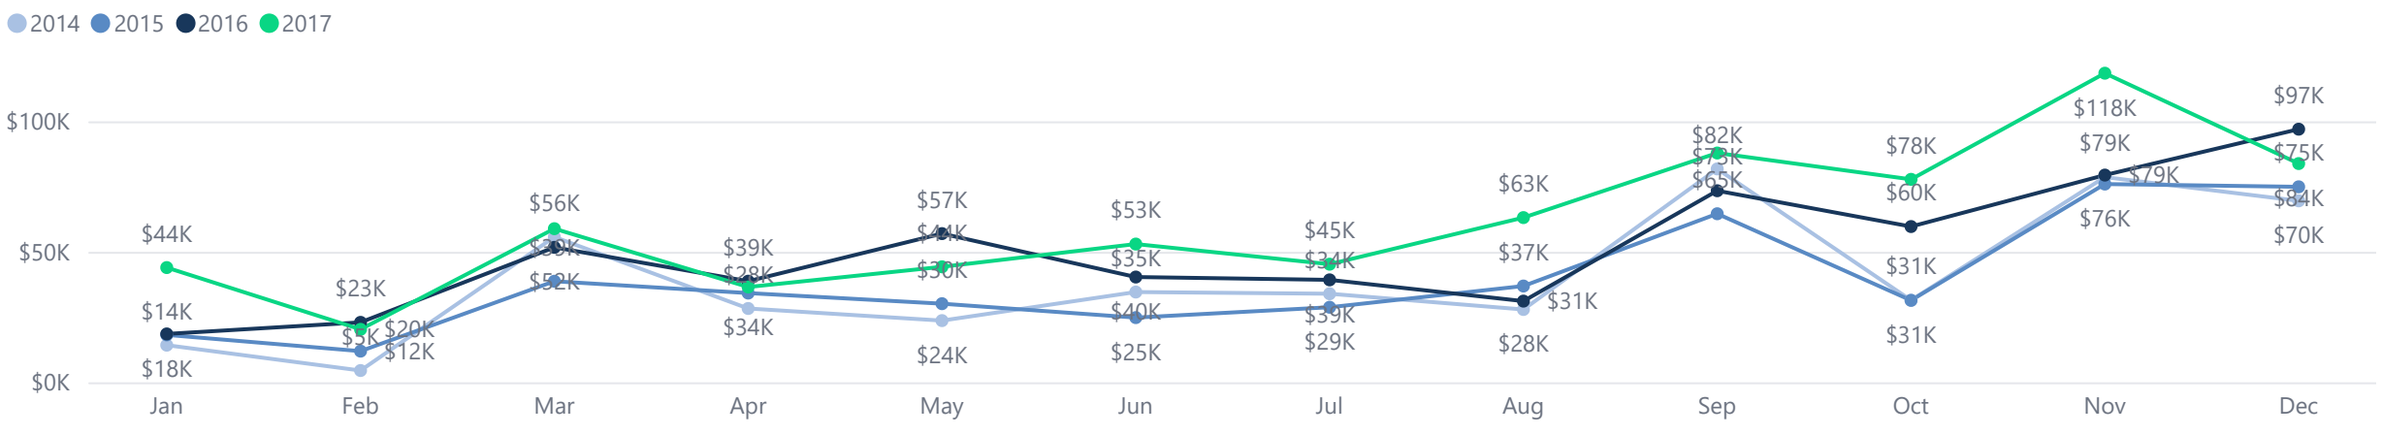

Forecast 2018: $842K net sales (+14.8% a year, past seasonal pattern)

Net Sales by Category

Monthly Sales by Year (2014–2017): the same seasonal pattern every year

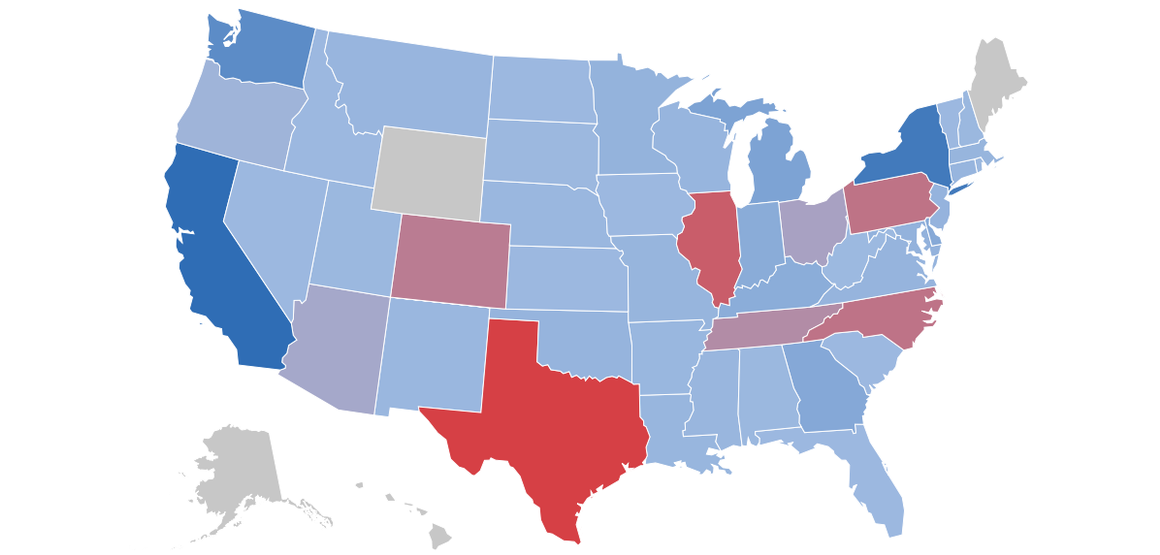

Same shape every year: low in January–February, peaks in September and November–December. All three customer segments show the same pattern: the peaks come from more customers ordering, most likely back-to-school and holiday shopping.

Product Performance by Category and Sub-Category

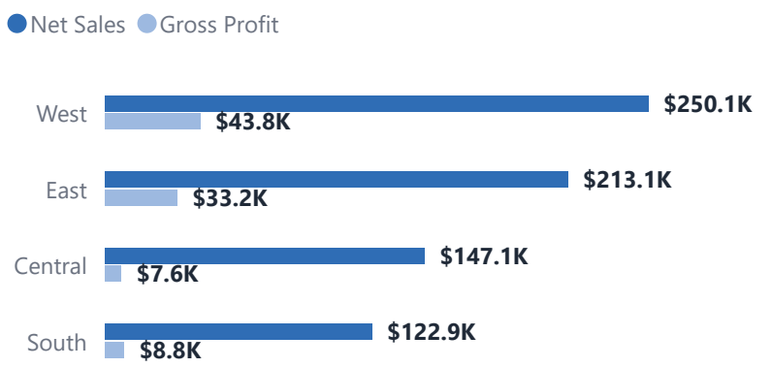

Category	Net Sales	Gross Profit	Gross Margin	Units Sold
Technology	**$271.7K**	**$50.7K**	**18.7%**	**2,363**
